- 1993 Chairman of a two-day design symposium on *Landscape and the City*, organized in view of the structure plan for Groningen (NL), with A. Chemetov, F. Palmboom, B. Secchi, E. Taverne, and the planning services of the city of Groningen
- 1994 Design consultant for *Van Wijnen Noord* at the symposium on the structure plan for Groningen (NL)
- 1994 Consultant for a workshop on the railway zone in the city of Zaandam (NL)

- 1996 Member of the international commission called to prepare the international urban design competition on the *Western Arch* area in Thessalonica (Greece), cultural capital 1997
- 1996-97 Critic and international expert for the general evaluation of the 4<sup>th</sup> EUROPEAN-competition for Young Architects
- 1996-97 Together with M. de Solà-Morales, R. Koolhaas, B. Secchi, international expert for the making of the port master plan of Genoa (I)
- 1998-99 Consultant for the urban design competition and member of the follow-up commission for the urban design proposal by M.V.R.D.V. on the transformation of the declining southeast district around the Antwerp Central railway station (B)
- 2001-02 External expert for the E.P.A. Seine – Arche, in view of the urban design study for the prolongation of the axis from *La Défense* to the neighboring communities
- 2006 Chairman of the Staff and Jury of the QUAP- workshop on the urban conversion of eight industrial sites in the Province of Treviso, It sponsored by the Chamber of Commerce and the Province.
- 2006-08 Member of the selection and steering committee for the urban design competition and afterwards member of the Quality team for the OMA-project of the Olympic Stadium Square at Amsterdam Netherlands.

## 7. DESIGN ACTIVITY

### 7.A *Incidental*

- 1973-75 Urban design practice and theoretical work for the city of Mechelen (B), in *Krokus, workshop for the rehabilitation of the urban interior* (together with J.P. Laenen, B. Van Reeth): e.g. meeting space Dymphnarium, study for Persoonshoek, urban design competition for the Klein Begijnhof-Heembeemd district
- 1988-89 Invited to submit a proposal for the urban design consultation on the prolongation of the Diagonal in Barcelona, organized by the *Colegio de Arquitectos of Catalonia* (E)

### 7.B *Projectteam Stadsontwerp*

- 1989- 2002 Director of the ***Projectteam Stadsontwerp***, the design group for urban projects operating within the department of architecture and urbanism at the Leuven University (B)

#### ***Chief urban designer for the following projects:***

- 1989-90 Development plan for the reconversion of the industrial area around the canal and inner docks in Leuven, commissioned by the city of Leuven
- 1989-90 Implantation study for the research centre COSMOS, linked to the Catholic University of Leuven, commissioned by Leuven Research and Development

- 1991 Study for the prolongation of the Antwerp Singel Road in the northern part of the urban port area, commissioned by *Stad aan de Stroom* (Antwerp)
- 1991-92 Development plan for the abandoned railway sites in Leuven, in collaboration with TRACER, Langzaam Verkeer), commission by the Flemish Government, the National Railway Company, the city of Leuven and the Flemish Company for Public Transport
- 1992-93 Development plan for abandoned industrial sites in the village centre of Hoeilaart, commissioned by the city of Hoeilaart
- 1992-93 Development plan for the Quartiers Ouest in Rouen (F) (in collaboration with Beture Conseil, ERA, ISIS, SETEC & Site Image), commissioned by the city of Rouen
- 1993-96 Three legal destination plans for the centre of Hoeilaart, commissioned by the city
- 1994-00 Eleven legal destination plans for the railway area and the inner port of Leuven, commissioned by the city
- 1995-96 Masterplan for the transformation of the former railway plant into an integrated housing area at Leuven, commissioned by the city
- 1996-98 Masterplan for the transformation of the railway station area at Leuven (B) and general implementation management of the project (in collaboration with Prof. M. de Solà-Morales for the design of the station square with parking, bus terminal and administrative building), execution project for infrastructural transformation of surrounding boulevard and traffic junction (in collaboration with Desvigne & Dalnoky, landscape architects)
- 1995-96 General advisory contract for the city of Leuven: regular reports on singular topics and urban projects
- 1996-00
- Within this mission, a number of counter-projects were conceived in order to improve the quality of the projects introduced by developers: a.o. extension to the SBB Insurance Company building, extension to the library of The Faculty of Law, extension to the H.Hart Hospital, design of a major underground public parking lot with residential development, integration of bus depot at the Academic Hospital site, transformation of a former bottling of Interbrew and its surroundings, feasibility study of a Light Rail connection with parking facilities, ...
- 1997 Masterplan for the surroundings of the Central Railway Station in Antwerp, commissioned by the National Railway Company
- 1997-98 Development plan for the site of the Academic Hospitals in the centre of Leuven, commissioned by the city
- 1997-99 Pre-study and three legal destination plans for the urban transformation of the inner port of Leuven (B) commissioned by the city
- 1998 Masterplan for the port area at Cornigliano (I), in view of the reconversion of the RIVA Steel mills, commissioned by the Port Authority of Genoa
- 1999 Advisory study for the transformation of the former brewery site Lamot in Mechelen (B), commissioned by the city
- 1999-00 Advisory study for the spatial development of the north side of Leuven (B), commissioned by the city

- 2000 Masterplan for the housing district of Melkhoek – Oude Kaai, Turnhout (B), commissioned by the city in co-operation with Studiegroep Omgeving, Mortsel (B)
- 2002 Invited for the multiple design competition for the Conversion of the Railway Yard North Location at Antwerp (B), in collaboration with **West 8, Urban Design and Landscape Architects**, Rotterdam (NI).

## **7.C SMETS Consultants in Urbanism**

### **Design and consultancy on a personal basis since 2001**

- 2001-02 Masterplan for the conversion of the SEI-TMCI factory site and the DE NARDI factory site at Conegliano (TV), Italy into housing developments, in collaboration with architects P. Laner and A. Menegotto, commissioned by Arcoveneto S.p.a.
- 2001-02 Masterplan for the urban integration of the Voltri terminal extension at Genoa, Italy, commissioned by the Genoa Port Authority
- 2003-04 Consultant to the team of Reichen/Robert, H.Hunzinger, A.Peter for the multiple design competition elaborating the SCOT (*Schéma de Cohérence Territoriale*) of the Montpellier Agglomeration.
- 2003-04 Consultant to Arcoveneto Spr for the study with regard to the conversion of the abandoned industrial areas in the Province of Treviso, Italy commanded by the Treviso Chamber of Commerce.
- 2006-08 Chief urban designer for the structure plan of Caorle (Ve), Italy in collaboration with Joao Nunes (landscape) and Proteco Spr (procedure and planning)

## **8. ORGANIZATION OF COLLOQUIA AND SEMINARS**

- 1979 Organizer of the *Leuven Seminar on Participatory Design*, held at Leuven from 22-26 January and sponsored by the Research-Fund of the Leuven University: with e.g. G. De Carlo, R. Erskine, H. Harms, L. Kroll, D. Lyndon, R. Plunz, M. Van den berg, W. Van Es, A. Tzonis
- 1980 Together with Prof. H. Van Der Wee, organizer of the International Colloquium *Cities in Development 19th and 20th century*, held at Spa (B), September 2-5, and sponsored by the Crédit Communal de Belgique: with e.g. C. Cooke, M. Daumas, PH. Godding, W. Krings, E. Lampard, E. Lichtenberger, F. Mancuso, A. Mioni, J. Remy, A. Tzonis, and others
- 1982 Organizer of a first *Planning History Seminar*, held at Leuven on January 21, and sponsored by Leuven Research & Development: with e.g. A. Mioni, K. Novy, A. Sutcliffe and A. Tzonis
- 1983 Organizer of a second *Planning History Seminar*, held at Leuven on April 29, and sponsored by the Centrum voor Stedenbouwkundige Geschiedschrijving: with e.g. R. Baudoui, G. Fehl, R. Plunz, S.J. Van Embden, A. Tzonis
- 1985 Together with Prof. G. Fehl, organizer of a conference series at the Technical University of Aachen (D) on *Belgium, a nearly forgotten pioneer in urban planning*, financed by the Belgian Cultural Mission in Bonn.

- 1988 Organizer of a one-day seminar on *Urbanism as a design project*, with participation of D. Walker, M. De Solà-Morales, M. Smets
- 1989 Organizer of a one-day seminar on the design proposals for the prolongation of the Diagonal in Barcelona, with participation of J. Busquets, R. Plunz, M. Smets, H. Van Dijck,
- 1990 Fellow-organizer of a 3-day symposium on *Fragmented Spaces*, held in Leuven, with G. Ciucci, B. Colomina, F. Dalco, Z. Hadid, R. Koolhaas, R. Neumeyer, R. Plunz, P. Wilson, et.all.
- 1991 Organizer of a design Studio on the Railway Channel Reconversion in Leuven with participation of J. Busquets, F. Neumeyer, B. Secchi, P. Van Aerschot
- 2006 Organizer of the design workshop on the transformation of eight dispersed industrial sites in the Province of Treviso, together with G. Descombes, J. Nunes, C. Magnani, K. Shannon, et all.

## 9. LECTURES AND CONTRIBUTIONS TO COLLOQUIA AND CONFERENCES

- 1976 "Participation in design through the adaptation of an open structure", ILAUD - 1st Residential Course, University of Urbino (I)
- 1976 "Volkshuisvesting in België in de periode 1830-1930", International Cultural Centre, Antwerp (B)
- 1977 "How a participatory approach of design can nevertheless result in authoritarian planning", ILAUD - 2nd Residential Course, University of Urbino (I)
- 1977 "Formulering van een substantieel stedenbouwkundig referentiekader", Flemish Regional Association for Urban Planning, University of Ghent (B)
- 1978 "Stadsvernieuwing in België", *Symposium stadsvernieuwing*, Den Helder (NL)
- 1978 "A history of social housing in Belgium 1830-1930", Opening lecture of an exhibition on Belgian social housing patronized by the Belgian Ministry of Culture, University of Krakow (Poland)
- 1979 "Introduction: aims and purposes", *Leuven Seminar on Participatory Design*, Catholic University of Leuven (B)
- 1979 "Hopes, dangers and costs of a participatory design scheme", ILAUD - 4th Residential Course, University of Urbino (I)
- 1980 "L'évolution de la conception de l'habitat social en Belgique de 1830 à 1930", Two lectures for the Jacques Leclercq Chair, Institute of Political and Social Sciences, University of Louvain-la-Neuve (B)
- 1980 "La rénovation urbaine en Europe occidentale: 1945-1980", Keynote speech at the International Conference on "*Conservation, rehabilitation, recyclage*", Université de Laval, Quebec (Canada)
- 1980 The reconstruction of Leuven after the events of 1914", *International Colloquium Cities in Evolution 19th-20th century*, Spa (B)

- 1982 "De aanleg van de Blaesstraat te Brussel 1854-1860", *Centrum voor Stedenbouwkundige Geschiedschrijving*, Antwerp (B)
- 1982 "Wonen in oude wijken of over de uitzichtloosheid van de Belgische stedenbouw", Conference on dwelling culture, KVIV (Royal Association of Flemish Engineers), Antwerp (B)
- 1982 "Post World War I reconstruction studies of Belgian cities as stepping stones for elaborating a post-disaster planning theory?", Presentation at *SSRC Anglo-Dutch Seminar on Applied Historical Studies*, Erasmus University Rotterdam (NL)
- 1983 "Rapport de Synthèse", *1st International Conference on Rebuilt Towns*, Brest (F)
- 1983 "De Belgische wederopbouw na 1914 en het overdragen van modellen", Lecture at the Technical University of Delft (NL)
- 1983 "De objectieven van de stedenbouwkundige geschiedschrijving, getoetst aan de doorbraak van de Blaesstraat in de 19<sup>de</sup> eeuw", Lecture for the Seminar on "Contours of the history of architecture in the Netherlands", Technical University Eindhoven (NL)
- 1983 "De stedenbouwkundige geschiedschrijving in België, een bespreking van het lopend studiewerk", Lecture for the Working Group on the history of urban planning, University of Amsterdam (NL)
- 1983 "Das belgische Zonenenteignungs-Gesetz und dessen Handhabung beim Aufbau von Brüssel im 19. Jahrhundert", Seminar on *Soziale Reform und Städtebaureform 1830-1900*, Werner Reimers Stiftung, Bad Homburg (D)
- 1984 "La loi d'expropriation et son rôle dans l'aménagement du territoire Bruxellois au 19<sup>ième</sup> siècle", lecture at the Architectural Department of the University of Geneva (CH)
- 1985 "Utopische Städtebauprojekte in Belgien im 19. und 20. Jahrhundert und ihre Bedeutung für die Städtebaupraxis", lecture at the Department of Architecture and Planning of the Technical University of Aachen (D)
- 1985 "The housing policy during the Belgian reconstruction after World War I", lecture for the seminar on *New directions in housing: past and present*, Architectural Association, London (UK)
- 1985 "Die Belgische Wiederaufbau zwischen Stadtbaukunst und Städtebau", lecture at the Technical University of Braunschweig (D)
- 1985 "Expertise professionnelle et politique urbaine: la reconstruction et les débats à propos d'un nouvel urbanisme en Belgique après 1914", paper presented at the Seminar on *Situations et Expertises*, organized by the French Ministry of Urban Planning, Section of the Plan Urbain, Paris (F)
