Before 2004

- Just after Kangwang road built....,2005.06

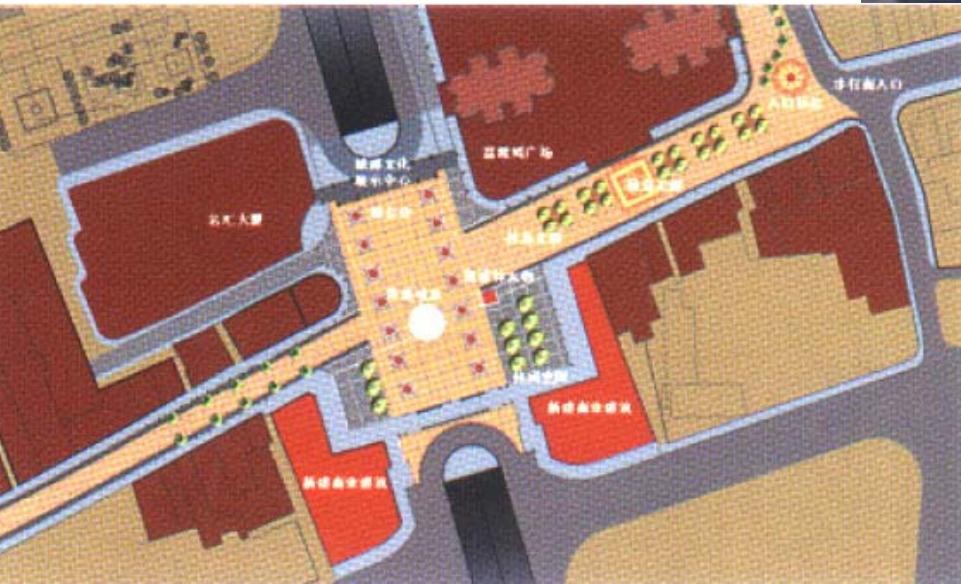

Kangwang road

Kangwang road

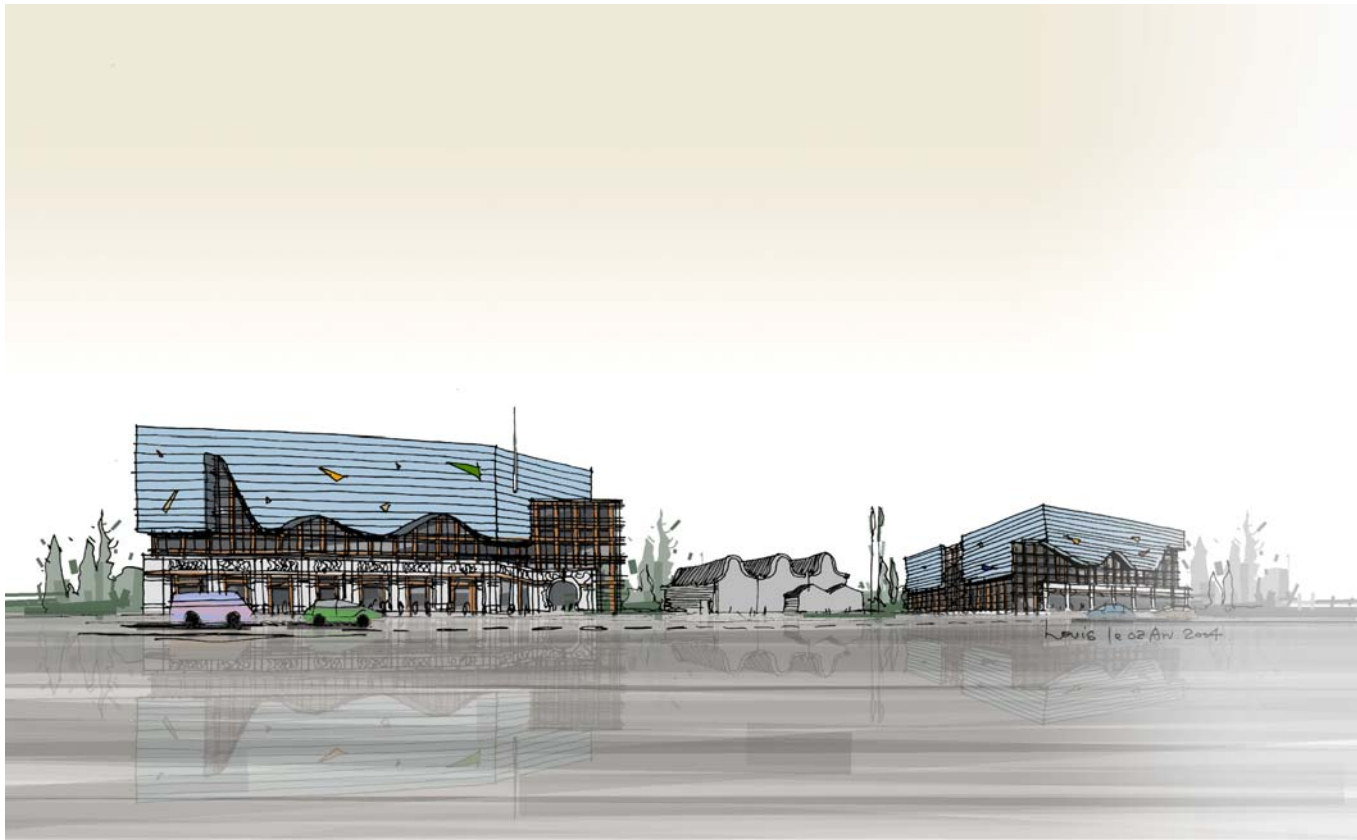

activities

Moving old assembly hall unitarily
Designing new building carefully

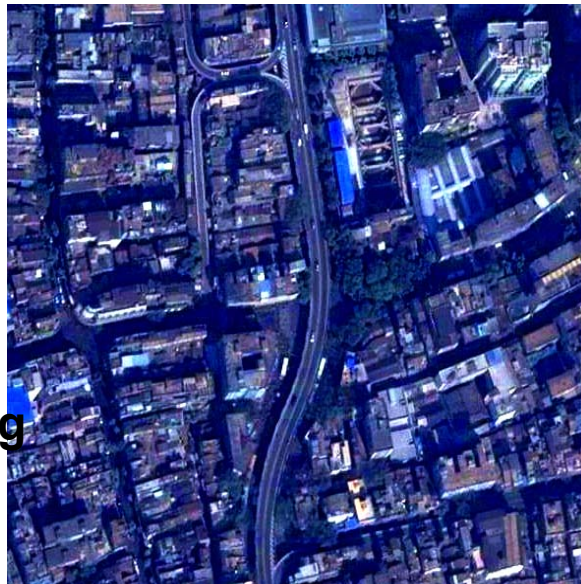

Still processing in our city 人民南路高架桥

1950s

1980s–today

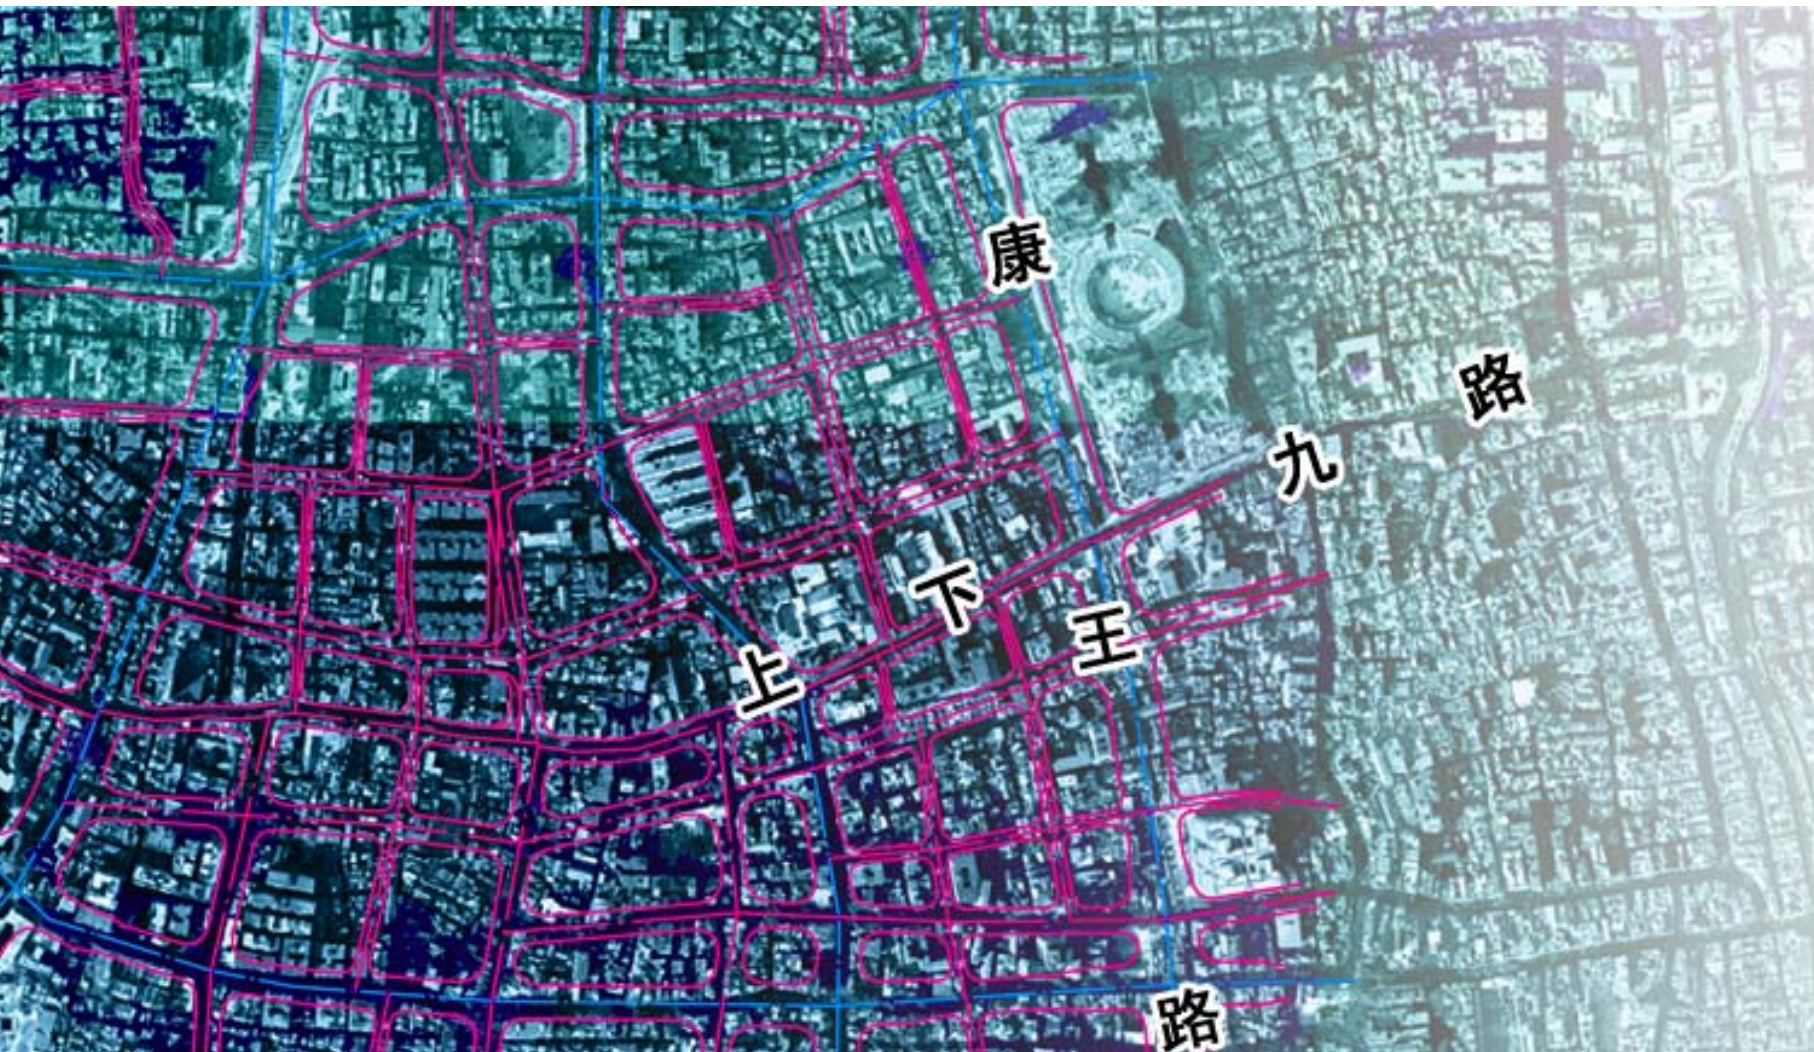

Now discussing: demolish or not
Elevated road vs ground shopping
Time: suitable or not

Now discussing: how to organize the “functionanl” traffic

Old(1980s)

Today

How to organize the traffic? street and road
